## Gratitude in Action

As OUF celebrates 25 years of impactful service, heartfelt gratitude is extended to OUF's donors, volunteers, and partners who have been the driving force behind OUF's mission. Their unwavering support, trust, and generosity have enabled countless lives to be touched and hope to be brought to the most vulnerable communities worldwide. Together, it has been proven that compassion and unity can transform the world

The remarkable milestones achieved over the past 25 years reflect the collective strength of the OUF. It is through belief in OUF's vision and tireless dedication that barriers have been broken, crises have been addressed, and lasting change has been created

## About the Organization

Saeed Rahman established the One Ummah Foundation (OUF) in 1999 in loving memory of his two sons, Nabil and Mustafa Saeed Rahman. The foundation is dedicated to honoring the legacies of Nabil and Mustafa by working to unite communities and uplift children around the globe, irrespective of ethnicity or religion. Emphasizing its "One People" mission, OUF fosters equality, dignity, and hope for vulnerable populations worldwide. Since its founding, the One Ummah Foundation has supported over 6 million children and their families in 33 countries, resulting in a profound and lasting impact

The One Ummah Foundation is dedicated to empowering communities through charitable initiatives that address education, healthcare, and humanitarian needs. It has made significant progress in delivering essential services to underprivileged populations globally. OUF's efforts are supported by generous donors, volunteers, and partners, leading to meaningful change in the lives of thousands

# OUF Vision

The vision of the One Ummah Foundation is to eliminate poverty and inequality globally by ensuring access to education, clean water, food, healthcare, and humanitarian aid. OUF envisions communities where families are empowered, children have the freedom to dream and learn, and no one is left behind

Through comprehensive support in education, healthcare, food, water, and disaster relief, OUF strives to create resilient communities where families thrive and future generations are empowered to break the cycle of poverty

# OUF Mission

1

One Ummah Foundation stands for dignity, equality, and compassion, supporting communities across all races, ethnicities, and religions

2

One Ummah Foundation is committed to combating poverty worldwide by addressing its root causes, hunger, illiteracy, lack of healthcare, and insufficient resources

3

One Ummah Foundation empowers families to reduce their reliance on child income, ensuring children can focus on education and thrive

# Where OUF Works

One Ummah Foundation is dedicated in extending humanitarian aid to over 33 countries and counting. These include Pakistan, India, Bangladesh, Sri Lanka, Malawi, Togo, Cambodia, the Philippines, Indonesia, Senegal, Niger, Kenya, Somalia, Tanzania, Brazil, Guatemala, Syria, Afghanistan, Eritrea, Ethiopia, Yemen, Palestine, Nicaragua, Colombia, Uganda, Malaysia, Thailand, Nigeria, Turkey, and Nepal

# 2024 Highlights

## Food Served Worldwide

OUF delivered food and dry rations to communities struggling with hunger, ensuring access to vital nutrition for those in need

## Educational Support Provided

Students in underserved communities were provided with educational resources and support to pave the way for brighter futures

## Families & Orphan Supported

Providing essential support to families and orphans, ensuring they have access to basic needs, education, and opportunities for a brighter future.

## Disaster Relief efforts

OUF responded to devastating floods, earthquakes, famines, and man-made disasters in Pakistan, Libya, Morocco, Turkey, Syria, Somalia, Sri Lanka, Barawa, and many other regions

## Healthcare Assistance Offered

Free healthcare services were extended to patients in marginalized areas to ensure access to medical support

# Program Achievements

## Food Program

One Ummah Foundation's Food Program has delivered millions of meals, aiming to reach 25 million by 2026. The foundation provides nutritious meals to those in need, especially in poverty-stricken regions. Food aid has been extended to countries like Pakistan, Malawi, the Middle East, Sri Lanka, Somalia, and many other regions

## Education Program

One Ummah Foundation is dedicated to providing quality education globally. In collaboration with partners, the program includes school construction, teacher salaries, free education, and essential support like books, clothing, family rations, and Eid shopping. OUF works to help children escape child labor and early marriage, promoting long-term community development

## Families & Orphan Program

OUF believes in uplifting families and orphans by providing essential resources such as food, shelter, education, and healthcare. Through collaboration with organizations worldwide, OUF implements sustainable programs and community-driven initiatives, breaking the cycle of poverty and empowering individuals to build brighter

## Disaster Relief Program

One Ummah Foundation offers global disaster relief, providing food, shelter, and sanitation to affected communities. For example, in Barawa, Somalia, the foundation helped displaced families, and in the Rohingya crisis and Sri Lankan floods, essential aid was provided to support recovery and rebuilding efforts

## Healthcare Program

One Ummah Foundation provides essential medical care to underserved communities, partnering with global organizations for treatments and surgeries. It supports cleft lip surgeries in Lahore with CLAPP, offers free dialysis in Nowshera, and supports various hospitals, including a Leprosy Hospital in Karachi, providing specialized care to those in need

## Women Empowerment Program

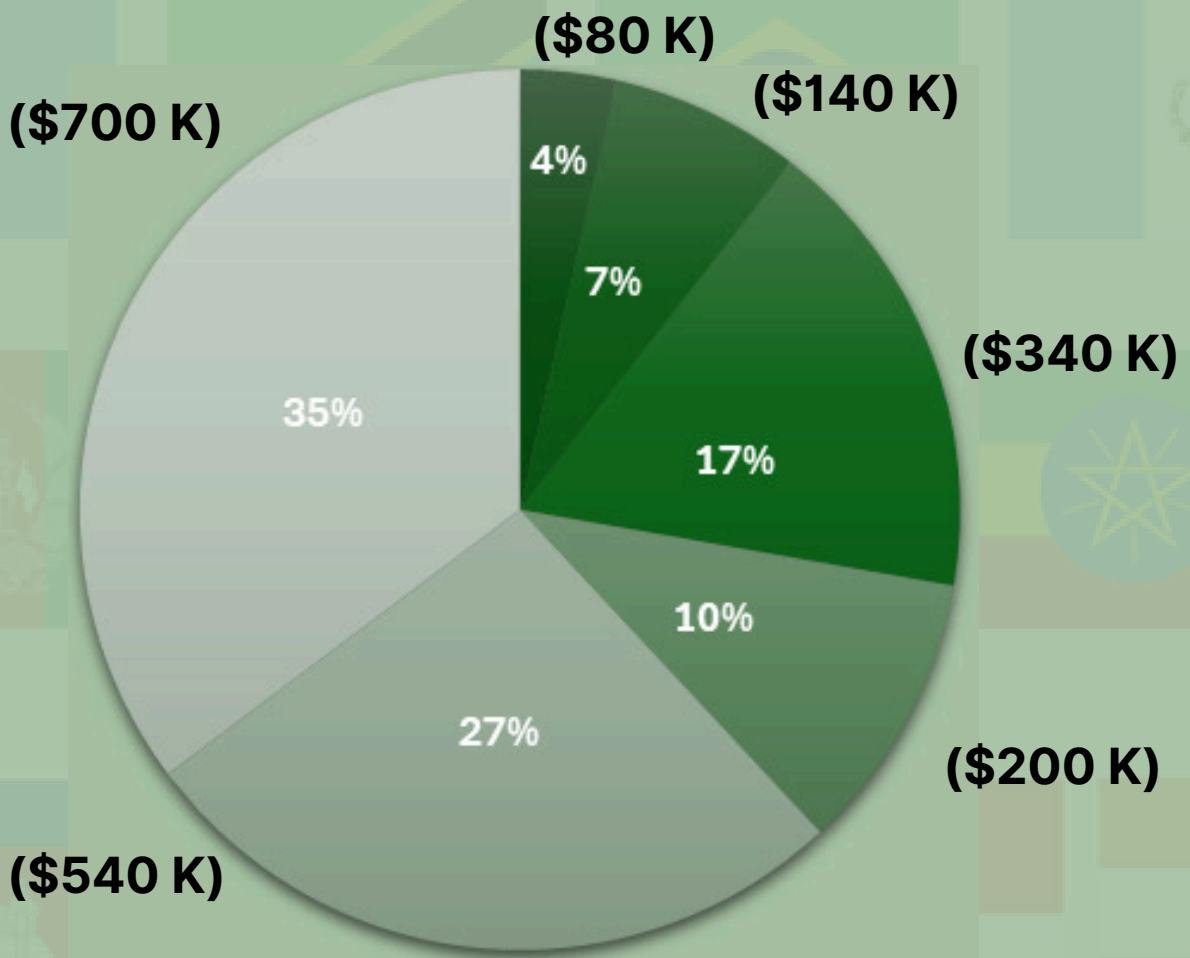

One Ummah Foundation partners worldwide to empower widows and orphans, providing them with safety, education, and resources. Through these efforts, OUF helps women and children rebuild their lives with dignity, breaking cycles of hardship and creating brighter futures

# 2024 Financial Overview

Healthcare Program

General Funds (Women Empowerment & Water Well)

# 2025 Goals and Opportunities

As the One Ummah Foundation looks to the future, OUF commitment to uplifting vulnerable communities and addressing critical global challenges remains unwavering. Building on 25 years of impactful work, in 2025 OUF will focus on few programs which will have long term potential for growth and impact

## **Holistic Child Welfare Programs**

OUF comprehensive child welfare approach will continue to ensure that vulnerable children receive housing, clothing, nutrition, education, and emotional support to thrive

## **Elderly Labor Support Program**

Launching dedicated programs to honor elderly individuals engaged in manual labor by providing them with financial aid, emotional support, and the dignity they deserve in their golden years

## **Empowering Vulnerable Women**

OUF aims to empower marginalized women by offering education, vocational training, microfinance, and community support, helping them achieve economic independence and transform their lives

## **Global Emergency Response**

Strengthening OUF rapid-response capabilities will enable us to act swiftly during humanitarian crises, natural disasters, and conflicts, ensuring timely aid and relief for those most affected

## **Eliminating Bureaucratic Barriers**

Upholding an organizational culture free from bureaucratic inefficiencies, OUF will prioritize transparency, accountability, and direct impact to ensure every initiative serves its purpose effectively

## **Maximizing Donations Impact**

By keeping operational expenses minimal, The One Ummah Foundation reaffirms its commitment to directing 100% of all donations to those in need, ensuring that every contribution makes a meaningful difference

# 2025 and Beyond

Friends and Supporters,

Looking ahead to 2025, I want to reflect on OUF's incredible journey as a humanitarian organization. Your continuous support and commitment have pushed our efforts to improve the lives of the people OUFs serve.

"2025 and Beyond" is OUF's joint vision for a future where we can close community gaps. OUF continues to inspire, empower, and transform the lives of those confronting obstacles, leaving no one behind.

In the future, OUF will prioritize:

**1. Creative & Impactful Solutions:** Utilizing creative ideas and technologies to tackle community concerns. We seek to establish successful and sustainable programs by working with local groups and creating more accountability with the organizations we work with.

**2. Focused Outreach:** We will conduct more focused outreach to reach the people who need our services the most. We can impact and make a meaningful long-term difference by strengthening collaborations and establishing a focused footprint.

**3. Empowerment Through Education:** Education is key to transformation. We'll create new educational programs and provide people with the skills they need to succeed. Together, we can create a successful community.

**4. Advocacy for Change:** We will advocate for policy changes to promote a more equal society. OUF's dedication to social justice and equality will lead our tireless efforts to make genuine change.

Together, we can build a world where hope thrives, and everyone lives a fulfilling life. Please join us in 2025 and beyond. Your support and effort help us build a better future for everybody.

My sincerest thanks,

*Mohammad Saeed Rahman*
